

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Smt. Sindhutai Jadhao Arts and Science Mahavidyalaya's library is automated with integrated library management software SOUL 3.0 (Software for University Libraries) of INFLIBNET. The various housekeeping activities of the library such as data entry, issue and return and renewal of books, member logins etc are done through the software. The reading and reference section is provided with five air conditioners. The Books are classified according to Dewey decimal classification. The books are being bar coded and the users are given unique barcode ID. Apart from the printed books the library is having access to e resources of n list which is a part of e-shodhsindhu consortium of INFLIBNET, where the users are given awareness and made to access browse and download e-books, e-journals, databases etc. The new books are displayed for two weeks on the display stand. User orientation is provided at the beginning of the year regarding the various facilities services and resources available in the library. The library provides reprographic service and internet service.
