- Student Admission and Support
- Examination

6.2.3 Implementation of e-governance in areas of operation

Administration:

The office of the college is computerized and equipped with software. College administrative staff oversees the work of all departmental through this software. For effective administration, college has formed various committees. All the departments are communicated by E-Mail, SMS and What's app and Google classroom with each other and the students groups are formed. Besides this, the college has installed 32CCTV cameras for surveillance. The salary of the faculties and administrative staff are managed by the government provided Sewarth System.

Finance and Account:

For e-governance in Finance and Accounts, The Receipt Payment, Ledger book, Cash book etc. are maintained by headclerk in the Talley Software. After consultation with the Principal he submits draft of account statement in soft copy to the Auditor appointed by the management and gives necessary inputs to settle it in the proper manner.

Receipt for NEFT

Student Admission and Support:

The admission process is conducted as per the reservation policy of the state government. The detailed information brochure containing the rules and regulations regarding admission, scholarship etc. is prepared for students. The soft copy of brochure is displayed on college website. The university has installed a portal for online enrollment of the students entering in the courses. The state Government also administers the scholarship online. Students apply online and their forms are verified by the concerned clerk of the college and is forwarded to the university. Students who have passed class XII, are admitted in the college for the three-year degree course of B.A. and B.Sc. If any student faces any difficulty, he is assisted for the samethe administrative department of the college, the professor, solves these problems by providing them proper guidance.

Examination:

Students exam forms are filled online. Examination hall ticketare received to students through the online system. From 2017-18 online question papers are send to the college by the university. Students practical exam and Internal exammarks are filled online on the university portal. The result of the examination is declared online by the university. Summer examwas conducted in Google Forms.
